

Go Pro and Get Your Career Into Gear!

Why not join the growing number of people throughout the world who have made scuba diving their rewarding profession?

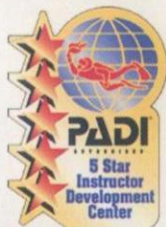

Divemaster

The first step is your PADI Divemaster Course, PADI's first professional level. This comprehensive course gives you the knowledge, skills and experience to safely organise and manage scuba diving activities for certified divers.

Instructor

Our Instructor Development Course (IDC) is highly recognised and is one of the best in Asia. Our 9½ day expanded IDC program is run every month, 12 times a year in conjunction with a PADI Instructor Examination (IE).

Look out for our exciting Instructor Development Courses and join the revered ranks of the PADI Open Water Instructor!!

Equipment

Full range, state-of-the art, great value!

Warm Water Divers regularly scours the dive equipment market to bring you a huge selection, probably the largest on the island, of the best of the latest diving and water-sports equipment. We have Masks, Snorkels, Fins, Dive Computers, Watches, BCD's and Regulators all at very attractive prices.

Let our experienced retail staff help you choose the right equipment for your personal needs and budget.

Liveaboard Diving

Whether you prefer large animal encounters with Manta Rays and Whale Sharks or prefer exploring the pristine coral reefs of the Similan and Surin Islands or Hin Mouang and Hin Daeng, Warm Water Divers is proud to offer you the ultimate choice in liveaboard diving.

In addition to our own specially converted 5-Star luxurious Chinese Junk, we work closely with Phuket's most professional liveaboard operators and can offer you the best trip to suit your schedule, experience level and budget.
